

Holiday Cards for Our Troops

Dear Educator,

This year, as in every year, members of America’s military will be deployed overseas during the holiday season. For some, the holidays will be especially difficult. At a time when we routinely gather with friends and family, these servicemen and women are far from all those people they love.

We can help spread holiday cheer to these heroes by sending our good wishes. Operation LTM support members of the military deployed around the world. We invite your students to join us in wishing Happy Holidays to our troops by sending cards to our men and women in uniform.

- Cards may be made from ordinary paper or art supplies and should be no larger than 8½” x 11” folded in half.
- Store bought cards can be used. Most 99¢ stores sell holiday cards for 99¢ for a pack of 12 or 18 cards, or use up last year’s cards. If you use store-bought cards, do not place the cards in envelopes. In fact, we don’t need the envelopes. Cards will be inside the gift stockings.
- A variety of cards plus coloring pages for younger children may be downloaded from the project site at <http://angelstockings.org>.
- Please do not use glitter. It gets everywhere.
- Some soldiers may wish to contact the students who write to them. If you like, you may include the school’s address in your cards. Please do not include the children’s home address.
- Please mail all cards by October 15th.
- Please send all cards to:
